Customer Reviews

No hardcore sleaze here. Just beautiful women looking great naked. And for all you guys who dig the unshaven natural look, there is plenty of that. Highly recommended for lovers of the female form in all its glory. Dig it, friends.

Most of these photos are from the late 40s and up. They are good non porn shots but I like newer photos

Interesting images on the history of the subject and good to see no hard porn fouling it up.

Not too bad.
