Synopsis

I had the fortunate opportunity to be permitted to use a studio for a photo session, and they were fine with me taking nude photos of this girl Symone there. They knew her from before, so I guess sheâ ™d posed at their studio previously. I hope that I can do more shoots there!Word was getting around with some models, that I would like to practice with them to develop my skills! I am so excited, and that means more books I can make here!
