Customer Reviews

This was *the* book I got when I was seven years old (I'm forty-something now), that got me -- a nerdy kid with headgear and glasses -- into a lifelong love of magic. Doug Henning was the guy on TV, and George Schindler was the guy in my bookbag. I carried this book and read it every chance I got.I'm glad to see it's still in print. I've bought a couple in the past year to give out to kids -- my own, and their friends. I hope it inspires them as much as this book inspired me.

Magic With Everyday Objects: Over 150 Tricks Anyone Can Do At The Dinner Table by experienced magician and entertainer George Schindler is a jovial, "user friendly", step-by-step guide to a wide variety of simple yet amusing sleight-of-hand tricks that anyone can teach themselves to do for fun and entertainment. From cigarette eye foolers to incredible napkin tricks and illusions with ordinary tableware, Magic With Everyday Objects is a fascinating how-to guide filled with secrets sure to dazzle one's friends. Simple black-and-white diagrams illustrate the direct, easy-to-understand instructions for performing each trick. Magic With Every Day Objects is very highly recommended for amateur magician reference collections.

THIS IS A GREAT LITTLE BOOK, FUN TO DO AND LOTS OF MAGIC EASILY LEARNED.

EVERYONE NEEDS MAGIC IN THEIR LIVES AND IF YOU CAN HELP OTHERS ACHIEVE THAT IT MAKES EVERYONE FEEL GOOD.
