# Wedding Planner: The Ultimate Organizer For The Blushing Bride

## **Synopsis**

The Benefits of a Wedding Planning Book A wedding can be one of the happiest events in a person's life; but, it can also be one of the most hectic times. There are so many different aspects in a ceremony and reception that weddings can be frustrating to even think about. Taking the time to plan everything out can help. The benefits of a wedding planning book are worth it. Brides can use a wedding planning book to organize every portion of their big day. Having every detail in one place will keep brides from forgetting small things. Wedding planning books allow brides to sort everything from transportation, wedding favors, flower arrangements, to wedding venues. Using a planning book can even help keep track of wedding expenses and related appointments.

## **Customer Reviews**

I thought it would have a month by month, then week by week and then day by day before the wedding for planning. I was disappointed in the book and wished I would have bought one at the store where I could view it.

Very basic and boring. All could be done on a pad of paper

I love this! It helps keep my wedding planning organized!

Very simple.. Ended up creating and using my own.
