Great to rent books instead of buying... this is awesome

So I thought I would save money this semester and rent instead of buy. You don't know if you are renting a new book or a used one until you get it. Mine was used and had no answer sheet. Customer service said it states in the rental info that supplements may not be included. You can purchase an answer sheet from the original publisher for \$50.00. The rental of \$27.73 plus answer sheet is 77.73. New and with a lot less aggravation costs 85.20.
