Counseling Children And Adolescents In Schools
Synopsis

Counseling Children and Adolescents in Schools is a text and practice and application guide designed to help aspiring school psychologists and counselors gain the necessary theoretical background and skill set to work effectively with youth in schools. The dual focus on school counselors and school psychologists provides students a broader view of the different mental health professionals in the schools, with an emphasis on collaboration. This interdisciplinary text can be used across pre-practica, practica, and other school-based field experiences.

Customer Reviews

I purchased this book for grad school. It was informative and helpful for my course.

Enjoyable, I had to read for class

I had to order this book for school but it was an easy and interesting read too. The language was easy to understand and read.

I like this product. I will definitely buy it again next time and I will recommend it to my friend!!!!
