I once sent Joe Crump an email and told him that after watching a lot of his youtube videos I felt like I had a Master's Degree in Zero Down Deals. After Reading this Book, I feel like now I have confirmed evidence of everything I heard him say in the videos. His thorough and confident style of communicating this material is superior to any other Creative Real Estate Author that I've come across, and I've read a lot of real estate books. Not only does Joe Crump know his stuff, he is a kind and excellent teacher. Listen to Joe, if you want to learn sure-fire strategies to buy houses with no cash and no credit. Can't go wrong buying any of his books or programs. I have bought several and learned a ton. Thank you, Joe!!!
