in Books > Business & Money > International > Exports & Imports #789 in Kindle Store > Kindle eBooks > Business & Money > Entrepreneurship & Small Business > Home-Based

Customer Reviews

This is a very concise method to use this kind of platform. Each step is meticulously spelled out which can really bog down the reading, but the information is sound and while I don't plan to follow the details - others might.

Loved it. Learned a ton. Can't wait to try. Detailed and with a ton of examples. Going to use it soon.
