Customer Reviews

Milady's The Clinical Esthetician: An Insiders Guide to Succeeding in a Medical Office This book is very helpful to those interested in working with a dermatologist or plastic surgeon. However some of the information on Rx, Tx, Qid, bid etc.. could be simplified. If you can just ask a doctor or nurse to help you with some of this jargon they could simplify it easily if you are not familiar with medical speak. Other than that this was well written and very helpful to estheticians who want to work in a medical atmosphere.

In good condition, very informative .

great buy
