The Little Mermaid: Broadway's Sparkling New Musical (Vocal Selections)

Synopsis

(Vocal Selections). In a magical kingdom beneath the sea, a beautiful young mermaid named Ariel longs to leave her ocean home to live in the world above. But first, she'll have to defy her father the king of the sea to escape the clutches of an evil sea witch and convince a prince that she's the girl with the perfect voice. Based on one of the most beloved Disney films of all time and the classic Hans Christian Andersen fairy tale, *The Little Mermaid* is the sparkling new Disney musical that's poised to make a splash on Broadway. Some of Disney's most popular songs are featured in show including "Part of Your World," "Kiss the Girl," and the Academy Award-winning Best Original Song, "Under the Sea" by the songwriting team of 8-time Academy winner Alan Menken and the renowned Howard Ashman. The stage adaptation also features new songs by Menken and Glenn Slater, plus a book by Tony Award-winning playwright Doug Wright.

Amazing songbook, it comes with beautiful photos from the show when it was on broadwayIt has almost every song, I am a little disappointed that it doesn't have the Part of Your World Reprise, but that's okayIt got here early and I'm very happyI can't wait to learn all this music

My daughter decided, after performing in *The Little Mermaid, Jr.* in our local theater, to sing the full Broadway production version of a couple of the songs. This book gave her the sheet music with all the original lyrics she needed to learn. Nice big book, well bound, is now dog-eared but intact.

Served its purpose!

Absolutely my favorite Disney movie ever created. I just had to have this. The piano part is easy enough to play for me (I am not at all advanced) and the lyrics bring back great memories. My students really enjoy learning the pieces out of this book.

I really love it. It has all of my favorite songs from the musical, and more. But I was a little disappointed that they didn't have the reprise for Poor Unfortunate Souls.

But the first song Ursula sings was changed for local theatre productions to Daddy's Little Angel, and it was not in the anthology. Otherwise a good general selection of the main songs.
